

"This is a fascinating book on the sacred use of plants that heal. It inspires the reader to look again at the plant world as a source of life and healing."

- Joan Halifax, author of *The Fruitful Darkness*.

"In this, his first book, Buhner writes with a precision born of experience and with a passion that bespeaks a lifelong commitment. This is an important - even groundbreaking book - for anyone who wants to explore and deepen a relationship with the natural world and its vast healing power."

- NAPRA Review

"Sacred Plant Medicine offers the doorway into the heart of the green world that so many people have been waiting for."

- Rosemary Gladstar, founder of United Plant Savers
and author of *Herbal Healing for Women*
